Dear Parents,

Please read the following very carefully and sign on the bottom to indicate your understanding and acceptance of the terms and conditions indicated.

- The Registration Fee is \$200. These monies will not be applied toward tuition.
- In order to reserve a spot(s) for your child(ren), registration must be paid up front, and in full. Without this fee we **cannot hold** a spot(s) for your child(ren).
- The Registration Fee applies to every individual application. Each child in a family incurs a separate Registration Fee.
- The Registration Fee is non-refundable.
- A tuition check for June must be sent to the school by May 15th in order for a spot to be held for an applicant. In the circumstance that this is not paid, we cannot guarantee to hold a space – even if the registration fee was paid in full.
- The June payment, which is the first tuition installment, and is due May 15th, is non-refundable.
- As of May 15th **we must** have a financial plan for tuition payment from every family. The possibilities are:
 - tuition paid in full on June 1st
 - bi-yearly checks, paid for on June 1st and December 1st
 - account debited on the 15th of every month
- In the case of withdrawal from the school, at any point during the school year, tuition for the remainder of the year is non-refundable, and must be paid in full. Our space in the school is limited, and budgets are based upon enrollment. School costs do not change once they are set – even upon the withdrawal of a student. Although this is the YISE Nursery School policy, the Nursery School board will convene to discuss each individual situation and make the final decision.
- Should the school be able to fill the place of a withdrawn child, we will notify the withdrawer immediately and the payments for the remaining part of the year will be refunded.
- As per the decision of the YISE board, the membership dues of an associate member (\$500) or non-member (\$600) should be up to date upon registration. A separate check should be made out for this fee and a membership form should be completed for new associate members.

I have read all the information above, and am aware that by signing this, I am signing a contract between myself and the Young Israel Shomrai Emunah Nursery School. I agree to the above stipulations and will comply with them.
