# RABBI LAZER BRODY LIVE!

Rabbi Lazer Brody, an IDF war hero, made teshuva in 1982, after a miraculous escape from a near-fatal mission in Beirut. After ordination as a Rabbi, he became the 'English voice' of the world-renowned Breslev leader, Rav Shalom Arush. He has translated many of Rav Arush's works, including: 'The Garden of Emuna'; 'The Garden of Peace', a marital guide for men; 'Women's Wisdom,' the companion guide for women; 'In Forest Fields', an in-depth guide to prayer; and 'Garden of Riches,' Financial guide to success in today's economy; and many emuna CDs. "Lazer Beams," Rabbi Brody's award-winning daily web journal, [www.lazerbrody.net](http://www.lazerbrody.net), has helped tens of thousands find joy and fulfillment. Rabbi Brody is also editor of the Breslev Israel web magazine in English [www.breslev.co.il](http://www.breslev.co.il), and the founder of Emuna Outreach. Rabbi Brody devotes his time to spreading emuna and the teachings of Rebbe Nachman of Breslev around the globe.
