## New, Mid-Year 2-year-old Class Starting January 25th, 2010

YISE Nursery is thrilled to announce that a second two-year-old class will be opening after the YISE Nursery winter break. This is a wonderful opportunity for just turned two-year-olds, who will be gently introduced into a school setting.

Morah Freyda Schneider, a 30 year veteran educator, and well known in the Greater Washington community for her warmth and nurturing nature, will be the class teacher. She has a Master's Degree in Early Childhood Education and is looking forward to this exciting new opportunity.

The program will include circle time and davening with a strong music component. Morah Leah Kott, an outstanding community music teacher and YISE Nursery assistant teacher, will help children learn to follow direction through music and song. The children will also enjoy the YISE Nursery Movement Program run by Kids Moving Company on Mondays. Arts, crafts, science, math manipulatives, and learning about the Chagim and Shabbat all round off an outstanding educational program.

Parents can choose to send their two-year-olds for one, two or three days a week - Monday, Wednesday and Friday.

**Morah Freyda Schneider - beloved veteran community teacher will be YISE Nursery's New Twos Class Teacher.**

YISE Nursery's NEW TWOs classes are on Mondays, Wednesdays and Fridays. We like to gently introduce children into their class routine and parents and caretakers are invited to stay with them the first week of school.

In addition, YISE Nursery provides extended hours until 5:30pm everyday.

**Please call Lianne Heller for further information as well as registration and admission forms. (301) 593-7365 or e-mail [nursery@yise.org](mailto:nursery@yise.org)**
