## **SUSAN WARSINGER**

Susan Warsinger was born Susi Hilsenrath on May 27, 1929 in Bad Kreuznach, Germany. On the night of November 9, 1938, Susi was awakened as a brick smashed through her bedroom window. The neighbors, adults and children, were hurling rocks and bricks at her family's home. Susi and her family sought refuge in the attic. For days, they hid in the attic with only apples to eat. Her parents eventually used their savings to smuggle her and a brother to France. In September 1941, the two finally arrived in New York.

On Kristallnacht November 9–10, 1938, thousands of Jewish businesses, homes and synagogues were attacked, and almost 100 Jews were killed during the violence. Some 30,000 Jewish men were sent to concentration camps.
