

COVID-19 SAFE

# YISE SUKKAH SHARE

While we do not recommend that you have guests in your sukkah, we are creating a new program to 'lend' out your sukkah (when you're not using it). If there are any days or time slots that you will not be in your own sukkah, please consider sign up to lend it to others.

**For Hosts:**

Please fill out the Google Form at the link below. It will allow us to easily collect and organize data such as address, sukkah size, and availability. Here's the Form:

<https://wp.yise.org/sukkah-hosts>

**For Guests:**

You can view available sukkah details (such as address, number of seats, etc.) by clicking on the 'Sukkah Availability' tab at the bottom of the general sheet (but you can't sign up in this sheet): <https://wp.yise.org/sukkah-list>

To actually sign up for a slot, just click on the Guests' Google Form\*:

<https://wp.yise.org/sukkah-guests> .

\*Note for Guests: This Google Form will only reserve one sukkah slot at a time. But you can simply re-click and sign up for more slots, anytime.

**Important:** If you have Covid-19, have been exposed to someone with Covid-19 in the past 2 weeks, or are experiencing Covid-like symptoms, you may not be a guest or host. In either case, please email us ASAP at [hospitality@yise.org](mailto:hospitality@yise.org) and we will remove your host listing (or guest reservation).

## 2020 YISE Sukkah Share – Guidelines

### Hosts:

- Please be prepared to leave your sukkah empty 30 minutes before and after any guests enter.
- Please leave out a disinfectant spray and tissues, towelettes, or wipes so each guest can wipe down before they use the table/chairs.
- Please leave the sukkah door(s) and window(s) open in between guests as much as possible.
- Please allow weather-proof chairs to remain in the sukkah (to match the number of 'guests' that you're filling out on the Google Form)
- Consider leaving a tarp to cover chairs/tables for guests.
- Consider leaving a broom for the guests' use.
- Consider allowing guests to deposit their trash in your waste cans. Not a must - but it would help the guests. Just leave a note in your sukkah that lets them know either way.
- Similar to above, consider allowing guests to access a hose bib for washing (please leave a note).
- If there are areas within your sukkah that have pasul tzail (e.g. scach under a tree branch or roof), please leave a note for your guests, so they can avoid those areas as needed.

### Guests:

- Please bring your own utensils, food, and tablecloth
- Please clean the table and chairs before and after you use the sukkah with the provided cleaning supplies
- Please bring a garbage bag with you to the sukkah.
- Please follow the hosts directions for garbage. If the host allows you to use their waste cans, please only deposit garbage that is fully within a bag and securely placed in the host's cans.
- Please sweep the sukkah floor after use.
- If rain seems likely, please use the host's tarp (if they have one) to cover the chairs and table, after your seudah.

### Guests & Hosts:

If you have Covid-19, have been exposed to someone with Covid-19 in the past 2 weeks, or are experiencing Covid-like symptoms, you may not be a guest or host. In either case, please email us ASAP at [hospitality@yise.org](mailto:hospitality@yise.org) and we will remove your host listing (or guest reservation).
